

A COMMITMENT TO REDUCING OUR ENVIRONMENTAL IMPACT

At SAIC, we strive to incorporate our responsibility to the environment within our business operations. We promote several initiatives designed to reduce our environmental impact, most notably in the areas of energy conservation, recycling, alternative transportation and employee flexibility.

Conserving Energy to Reduce Carbon Emissions and Promote Healthy Workspaces

- Maintaining robust energy utilization tracking systems
- Evaluating facility infrastructure modernization opportunities and implementing energy management initiatives
- Installing energy efficient lighting and motion sensors to reduce energy utilization

Recycling and Promoting Responsible Waste Reduction Practices for Sustainability

- Establishing single stream recycling collection for glass, plastic or aluminum containers, paper and cardboard
- Optimizing IT asset disposition via refurbishing, recycling and employee purchase program initiatives
- Reducing paper waste by defaulting to double-sided printing on all network multi-function machines
- Printing from sustainable sources by using a minimum of 30% recycled paper for all network multi-function machines
- Installing water filtration systems to replace bottled water

Promoting Employee Flexibility and Alternative Transportation Use

- Optimizing space utilization, offering flexible work schedules, and providing remote work options
- Providing employees with a program to use pre-tax contributions for mass transit and vanpool expenses

Continuous Improvement

- Using the Plan-Do-Check-Act model to establish initiatives and achieve strategic goals
- Ensuring both internal and third-party audits are performed of the of the Environmental Management System to maintain program effectiveness

To date, SAIC has achieved ISO 14001 certification of the Environmental Management System at the facilities listed below and is committed to supporting sustainable initiatives at all our locations.

- 12010 Sunset Hills Road, Reston, VA 20190 (Corporate Headquarters)
- 15002 Northridge Drive, Chantilly, VA 20151
- 6725 Odyssey Drive, Huntsville, AL 35806
